Total	\$101,346,201

Considerations: These are estimated figures given to Downtown Topeka, Inc. (DTI) at the time of the project beginning. Topeka Ice has not yet been constructed as fundraising is still underway. This document does not include investments made by the Ramada Inn. In regards to the DTI Grant Program, the monies are spent for infrastructure improvements only. In some instances, there was actually more private made not tied to the grant program.
